Joseph had his dream as a teenager and had to wait a long time and go through some major suffering (jail!) before his dream came true. Sometimes during this COVID – 19 pandemic it is so frustrating having to stay socially distant, doing distant schooling, video calls for everything like family, friends, sports, church! Do you ever wonder, where is God during all this frustration? I am sure Joseph did too.

Often, we can see God in what has happened in our past. Can you think of a time you were frustrated and waiting for something good to happen and your prayers were answered? We do not always get the answer we want but God always answers prayer, he is done it before, and he will do it again! So today PRAY!

Activity

Today's activity is for you to recreate your own favorite Bible story, or the story of Joseph in a format you like; maybe LEGO, playdoh, using stuffed animals, drawing comics etc.

WESTMINSTER PRESBYTERIAN FAITH OVER FEAR

DAY ONE | SUMMER 2020

God is Bigger than our Frustrations

Genesis 37, 39 - 50

Welcome to Faith over Fear, an opportunity for families to talk about and learn the promises of God, that help us remember that when times are strange, or scary like during a pandemic, God is bigger than everything. Each days resource will have a link to a YouTube video of a Bible story (feel free to explore more!) and an opportunity to discuss the story and how we respond during our times of our frustrations, our hard times, our worries, our fears, and our loneliness. Each day will also have an activity you can do together or individually.

Memory Verse: "Never stop praying" – 1 Thessalonians 5:17
