## Conversation

COVID – 19 has brought a lot of hard times to our lives. Staying home all the time, lack of entertainment, closed playgrounds, cancelled camps and sports. But stay encouraged God is near and using this time of challenge and creating good!

Sometimes during hard times we focus on the hard instead of the good. Today, why not try to add gratitude to your thinking. Thank God for the sunshine, for Netflix, for yummy snacks. Whatever you can think of, look for the good! If you'd like create a journal or place on your fridge or a whiteboard to daily track God's Goodness.

DAY TWO | SUMMER 2020

## God is Bigger than our Hard Times

### *The Book of Ruth*

Welcome back to Day Two! Today we meet Ruth and Naomi when they were having a hard time. They have lost their husbands and moved towns with no one to care for them. But God was with them and lead them to Boaz's field. In the end Ruth became the Great, Great, Great (many times) Grandma to Jesus! God took her hard times and used them for good!
